

Vittrea

The power of magnification

VITTREA MEDICAL

MAGNIFICATION THAT MAKES A DIFFERENCE IN MEDICINE AND SURGERY

In the demanding world of medicine and surgery, **optical quality is a must**. Enter Vittrea, your ally brand in the search for a **sharper, clearer and more precise vision**.

At Vittrea, we understand that each medical specialty has **unique needs**. Our loupes and lights are designed to **enhance precision and comfort** in your clinical field.

ERGO V ERGO GALILEO KEPLER

THE MOST COMPLETE MAGNIFICATION RANGE

COMPATIBLE WITH HIGH PERFORMANCE LED LIGHTS

OPTIONAL INTEGRATED HD CAMERA AND LIGHT

CUSTOMIZABLE LOUPES

We design custom dental loupes with **personalized optical consulting**. We are **pioneers in Ergo technology**.

Our Ergo loupes are the first in the Spanish market to be **fully ergonomic**, allowing you to view the working area without the need to tilt your neck, while keeping your back completely straight.

INTEGRATED HD CAMERA & FRONT LIGHT

Share your vision

The integration of a powerful light (60K lux) and a Full HD camera (1080p | 30fps) makes Flamingo a unique and highly effective solution, compatible with most loupes on the market.

Elegant. Effective. Unique.

CUSTOMER ADVISORY

From product selection to delivery, our service is defined by **closeness and personalized attention. We are here to support you every step of the way!**

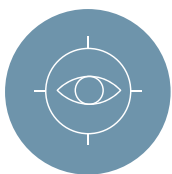

Dr. Samuel Espías

MAXILLOFACIAL SURGEON
AND BLEPHAROPLASTY
SPECIALIST

“My patients notice it:
**suture quality improves
thanks to magnification.**

The difference lies
in the details”.

THE POWER OF MAGNIFICATION IN YOUR HANDS

Our magnification technology enables **precise diagnoses**, improves your postural habits, and reduces visual strain. We carry out an **ergonomic assessment in your center** to find the perfect loupes for you.

PERFECTION IS IN THE DETAILS

Increase precision in surgical procedures by
visualizing crucial details.
