

Vittrea

The power of magnification

THE POWER OF MAGNIFICATION

**Find how magnification can enhance
your clinical practice**

We present our **advanced magnification technology**, your ally in achieving a **sharper, clearer, and more precise vision** for your dental practice.

Each specialty within the dental field has its own specific requirements. For this reason, our loupes and microscopes are **carefully designed** to enhance **precision and comfort** in your daily work, enabling you to deliver the **highest quality treatment** to your patients.

ERGO V ERGO GALILEO KEPLER

THE MOST COMPLETE MAGNIFICATION RANGE

COMPATIBLE WITH HIGH PERFORMANCE LED LIGHTS

OPTIONAL INTEGRATED HD CAMERA AND LIGHT

CUSTOMIZABLE LOUPES

We design custom dental loupes with **personalized optical consulting**. We are **pioneers in Ergo technology**.

Our Ergo loupes are the first in the Spanish market to be **fully ergonomic**, allowing you to view the working area without the need to tilt your neck, while keeping your back completely straight.

HIGH-END DENTAL MICROSCOPES

We are the **Official Business Partner Iberia of ZEISS**, world leader in **optical and medical technology**, with more than 175 years of history. We offer a selection of microscopes at the forefront of technology.

Dr. Alberto Sierra

DENTIST

“ZEISS is a **global benchmark** in dental, surgical, and research microscopy.

And Vittrea has always contributed something truly **valuable: its people**. For me, the perfect combination.”

Dr. José Aranguren

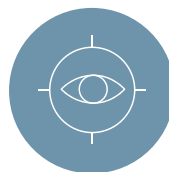

DENTIST

“Vittrea’s Ergo loupes provide the **ideal ergonomic position**: a straight back, relaxed eyes, a focal distance adapted to your working style, and suitability for use in **any specialty**.”

CUSTOMER ADVISORY

From product selection to delivery, our service is defined by **closeness and personalized attention**. We are here to **support you every step of the way!**

THE POWER OF MAGNIFICATION IN YOUR HANDS

Our magnification technology enables **precise diagnoses**, improves your postural habits, and reduces visual strain. We carry out an **ergonomic assessment in your dental clinic** to find the perfect loupes for you.
